

GIVING TUESDAY

Dear Friend,

The **Carpathian Foundation** established the **Carpathian Equal Opportunities Scholarship Program** – with Fred Robey's 100.000 USD generous donation - in 2006 and it is still one of our most successful ongoing programs.

The Program is aimed at **supporting disadvantaged youngsters** living and studying in the Carpathian region with financial (scholarship) and professional (tutoring, training etc.) tools **to help them successfully finishing their higher education studies** and after their graduation to assist them **to be able to work and live in and for the region, community where they were born and grew up.**

Since the establishment of the Program 36 scholarships have been donated in Hungary, all scholars graduated successfully, obtained a job, made and are still making significant professional achievements through their work, as well.

We would like to ask your help in sustaining this Program, please donate to our Scholarship Fund! (We provide 30.000 HUF -cca.120 USD or 100 EUR - per month per person and annually we support 1-3 youngsters.)
